With reference to your docket No 245 giving cover to D. P. W. Examiner's No 2,146 enquiring if the recently sanctioned estimate for Sagar Talukkatta road (Rs 24,100) should not be considered as supplemental to the mileage estimate (Rs 8,000) previously sanctioned. In reply I have the honor to state that the estimate amounting to Rs 24,000 includes the mileage estimate previously sanctioned and should not therefor be considered as supplemental to it.

As stated in the report accompanying the mileage estimate, the object was to obtain sanction so as to ensure expenditure of the current year's (1876-77) allotment, and further it is stated that "an elaborate estimate is being prepared giving all items in detail" This estimate having received sanction the first or mileage estimate ceases to exist and all payments made
